WebMojo Contest – Official Rules and Entry Conditions

No purchase necessary. Contest open to Canadian residents who have reached the age of majority in their province or territory of residence. Submit your WebMojo project, even if it is still in draft form, by January 15, 2027, at 11:59 PM Eastern Time. A panel of judges will select the winning project. One prize with an approximate value of CAD $340 is available. See the contest rules.

1. Organizer and Contest Period

The WebMojo Contest is organized by **WHC Online Solutions Inc.**, operating as **Web Hosting Canada** ("WHC"), located at 7250 Clark Street, Suite 301, Montréal, Québec H2R 2Y3.

The contest begins on **November 27, 2026, at 1:00 PM Eastern Time**, and ends on **January 15, 2027, at 11:59 PM Eastern Time**. Entry forms must be received during this period.

2. Eligibility

The contest is open to residents of Canada, including Québec, who have reached the age of majority in their province or territory of residence at the time of entry.

Members of the judging panel, WHC employees and officers, individuals involved in organizing the contest, and members of their immediate families and households are not eligible to participate.

No purchase necessary. A free WHC account is sufficient to create and submit a WebMojo project. Projects created using the free trial or a paid plan are eligible. The plan used is not part of the judging criteria.

3. How to Enter

During the contest period:

1. Create a website or application using WebMojo, or select an existing project you have already created with WebMojo.
2. Copy your project's preview link or its public URL if it is already live. Draft projects are eligible. Ensure that the judges can access the link without a password and that it remains accessible until the prize is awarded.
3. Complete the entry form on the contest page with your first name, last name, email address and project link, then submit your entry.

Only one entry per person is permitted. By submitting a project, you confirm that you have the right to present it to WHC. Use fictional data if your project requires demonstration data. Do not include any third-party personal or confidential information in your submitted project.

4. Prize

One prize is available across Canada, with no allocation by province or territory. The prize includes:

- A **12-month subscription to the WebMojo Build plan**, including hosting and **35 credits per month**.
- The registration or transfer of **one eligible domain name for one year**. Eligible extensions: .CA, .COM, .NET and .ORG.

The approximate retail value of the prize is **CAD $340**, depending on the domain name selected. The prize is non-transferable and cannot be exchanged for cash. WHC will not charge any renewal fees at the end of the complimentary period without the winner's consent.

5. Winner Selection

Following the contest closing date, a panel of WHC judges will evaluate eligible projects based on three equally weighted criteria:

- **Design:** The clarity and consistency of the presentation.
- **Ease of use:** How easy the project is to understand and use.
- **Usefulness:** How effectively the project addresses a need or achieves its intended purpose.

The entry receiving the highest overall score will be selected. In the event of a tie, the highest score for usefulness will take precedence, followed by ease of use and then design. If a tie persists, the judges will reassess the tied projects using the same criteria, rank them and provide their rationale for the final decision. **No random draw will take place.**

6. Winner Notification and Prize Delivery

WHC will contact the selected entrant by email within **10 business days** following the contest closing date. The selected entrant will have **5 business days** from the date the email is sent to respond, confirm their eligibility and accept the prize. If the selected entrant does not respond within this period, declines the prize or fails to meet the eligibility requirements, WHC will contact the next highest-ranked entrant.

WHC will make the prize available within **30 days** following confirmation of eligibility and acceptance of the prize.

7. Personal Information and Use of Submitted Projects

WHC collects the information requested in the entry form to administer the contest, evaluate submissions, verify eligibility, contact the selected entrant and award the prize. Entering the contest does not subscribe you to WHC's promotional communications.

Project eligibility. To be eligible, any website or app submitted to the contest, including drafts, must comply with applicable laws and be suitable for a general audience. Projects that contain explicit content or offer, facilitate or promote gambling, betting or recreational drug use are ineligible.

You retain ownership of your project. By submitting it, you authorize WHC to access and evaluate it for the purposes of the contest. WHC will request your separate consent before publishing your name or publicly showcasing your project in connection with the contest.

For information on how to request access to or correction of your personal information, please refer to WHC's Privacy Policy.

8. Administration of the Contest Rules

WHC may disqualify any entry that does not comply with these contest rules. If a technical issue, fraud or an event beyond its control prevents the fair administration of the contest, WHC may suspend, modify or cancel the contest, subject to applicable laws. WHC will publish any changes on the contest page.

For any questions regarding the contest, please contact **marketing@whc.ca**.
